2005-07 Statutory Language Proposals

DIVISION:	Enforcement and Science
BUREAU:	Integrated Science Services
ISSUE/TOPIC:	Lake Donation
PROPOSED CHANGE:	On the Wisconsin Boat Registration and Titling Application, the \$1.00 voluntary contribution for lake research/clean water will be changed to \$3.00.
EXPLANATORY NOTE:	People registering boats are given the opportunity to donate \$1 to lake research by checking the appropriate box on the application form. As stated on the application form, this fee is in addition to the registration fee and is used exclusively for research conducted by the DNR to determine methods of improving the quality of the lakes in Wisconsin. Recently, the cycle for renewal of boat registration went from two years to three years giving people less opportunity to donate to lake research. This request increases the amount that an applicant could donate from \$1.00 to \$3.00 (i.e., a buck a year).
DESIRED EFFECTIVE DATE:	Budget passage

Subject: Entering budget requests--some have arrived!

Since DOA has started to send budget requests, here is an update on how to enter the requests.

Enter for Administration-Budget. Type the analyst's last name in the by box. Type the DOA code in the pre-topic box (please do not put a hyphen after "BB"-it screws up my sorting). Uncheck the Submit Via Email box (the LPSes will e-mail the drafts).

Here's a picture of the Enter Request screen for those of you who believe a picture is worth 1,000 words.
